U6-U8 (2012-2014): The Half-Day Soccer Camp is the ultimate fun soccer experience for the young player. The foundation of our program is a well-paced environment using fun game-like activities. We also utilize small-sided games. The Camp will have coed groups that focus on developing soccer skills, fun and sportsmanship. All of the sessions are designed to be fun and educational for the players who are just starting to discover and fall in love with the game.

U7-U11 (2009-2013): The Full-Day Soccer Camp for this age group is for the more serious soccer player who is looking for a fun yet challenging summer camp experience. Continued development of technique and soccer skills and an introduction to individual and small group tactics. Again using game like fun activities.

U12-U14 (2006-2008): The Full-Day Soccer Camp players will benefit from advanced technical and tactical training. Emphasis is placed on training and execution of soccer techniques and tactics under pressure of an opponent and game conditions. Position specific training working on defending, attacking and transitioning will be a part of this program
